Report of the Activity

On 02/01/2023, Advanced Computer College,Osmanabad conducted an advanced public speaking techniques workshop for students and faculty members. The workshop was led by Mr. Tapkire R.V., a seasoned public speaking coach with over 10 years of experience.

During the workshop, participants were introduced to a variety of advanced public speaking techniques, including:

- Nonverbal communication: Participants learned how to use body language, facial expressions, and eye contact to convey confidence and authority while speaking.
- Vocal variety: Participants were taught how to use their voice.

Here are some advanced public speaking techniques:

1. Use storytelling: Storytelling is a powerful way to connect with your audience and make your message more memorable. Use stories to illustrate your points and engage your listeners.
2. Use humour: Humour can help you break the ice and create a relaxed atmosphere. Use appropriate humour to lighten the mood and make your presentation more enjoyable.
3. Use rhetorical devices: Rhetorical devices such as repetition, alliteration, and metaphor can help you emphasize key.

The workshop covered advanced techniques for delivering powerful presentations, including how to use body language, voice modulation, and storytelling to engage and persuade an audience. Participants learnt how to develop a clear and concise message, structure a presentation for maximum impact, and handle difficult questions and objections. The workshop also included opportunities for participants to practice their skills in a supportive environment and receive feedback from their peers and the faculty.

Report of the Activity

Business etiquette workshops for students are essential in helping them develop the necessary skills and knowledge to navigate the professional world successfully. These workshops can cover various topics, including communication skills, networking, dress code, and workplace behaviour. The workshop was designed to help individuals understand the importance of professional behaviour and manners in the workplace. The workshop covered a range of topics such as appropriate dress, communication styles, and social behaviour. Participants learnt how to make a positive first impression, build strong relationships with colleagues and clients, and navigate tricky situations with grace and confidence. The workshop also explored cultural differences in business etiquette, teaching participants how to respect and adapt to different customs and expectations.

Report of the Activity

Advanced Computer College,Osmanabad recently organized a workshop on communication for entrepreneurs, aimed at inspiring entrepreneurial thinking among students. The event was a great success, **with students and alumni** involved in the planning and organization of the event. The facilitators of the workshop were experienced professionals in the field of communication and entrepreneurship.

The workshop included various entrepreneurial leaders sharing their insights on topics such as healthcare, education, fundraising, and product design. The event also included hands-on activities, such as entrepreneurship projects for college students, to help students gain the entrepreneurial mind-set and relevant skills needed to launch and grow their businesses.

The workshop covered various topics such as verbal and non-verbal communication, effective listening, conflict resolution, and presentation skills. The participants were engaged in practical exercises and group activities that helped them apply the concepts learned during the workshop. The workshop was a great opportunity for students to network and learn from successful entrepreneurs, and we look forward to hosting more events like this in the future.

Report of the Activity

Communicating in Corporate Culture Workshop was conducted by **Advanced Computer College, Osmanabad on 27/08/2022**. The workshop was conducted by **Mr. Patil P.K.**, a renowned corporate trainer with **over 2 years** of experience in the industry.

He began by discussing the various communication channels used in the corporate world, such as email, phone, and face-to-face communication. He emphasized the importance of choosing the right channel for the right message and how it can impact the effectiveness of communication. **Mr. Patil P.K.**, also discussed the importance of active listening and how it can help in building strong relationships with colleagues and clients. He provided various tips and techniques for active listening, such as maintaining eye contact, asking open-ended questions, and paraphrasing. The workshop also included group activities and role-plays to help students practice effective communication skills. The activities were designed to simulate real-life scenarios in the corporate world, such as negotiating with clients and presenting ideas to colleagues.

Overall, the workshop was a great success, and the students found it to be very informative and engaging. It provided them with valuable insights into the importance of effective communication in the corporate world and how it can impact their future careers. We would like to thank **Mr. Patil P.K.**, for conducting the workshop and sharing his expertise with us.

Collaborative Problem Solving Workshop Report

Aim & Objective of the activity: The objectives of the workshop were to:

- Understand the importance of CPS in college and the workforce.
- Develop communication and exchange of ideas skills.
- Learn to identify and define problems and their elements.
- Develop problem-solving skills.
- Learn to facilitate and gain commitment.

Date of the Activity:-01/08/2022

Organizing Unit/Department:- Computer Science

Collaborating Agency:

Program Coordinator:-Mr. Sakhare K.A.

Students Participated: 60

Report of the Activity

Introduction:

Collaborative problem solving (CPS) is a critical skill necessary for success in college and the workforce. To enhance this skill, a workshop was conducted on collaborative problem solving for college students.

Workshop Activities:

The workshop included the following activities:

- Introduction to CPS and its importance in college and the workforce
- Group discussions on CPS and its components
- Stump Your Partner activity to develop problem-solving skills
- Facilitating Conflict activity to develop listening and messaging skills
- Group problem-solving activity to apply CPS skills.

Outcome:

The workshop was successful in achieving its objectives. The participants gained a better understanding of CPS and its importance in college and the workforce. They developed communication and exchange of ideas skills, problem-solving skills, and learned to facilitate and gain commitment. The group activities were effective in enhancing the participants' CPS skills.

Conclusion: CPS is a critical skill necessary for success in college and the workforce. The workshop on collaborative problem solving was effective in enhancing the CPS skills of the participants. It is recommended that such workshops be conducted regularly to develop CPS skills among college students.
