Business Communication For Global Markets Workshop Report

Aim & Objective of the activity: The aim of a Business Communication for Global Markets workshop report is to provide a comprehensive summary of the workshop and its key takeaways.

Date of the Activity: 02/01/2020

Organizing Unit/Department: Computer Science

Collaborating Agency: Mother Kanchan Institute of Computer Application & Business Mgmt, Osmanabad.

Program Coordinator: Mrs. Mane B.K.

Students Participated: 56

Report of the Activity

Objective:

The objective of the workshop was to help participants develop effective communication skills for global business settings and to enable them to communicate effectively with clients and partners from diverse cultural backgrounds.

Participants:

The workshop was attended by 5 participants from various industries, including finance, marketing, and technology.

Topics Covered:

The workshop covered the following topics:

1. Understanding cultural differences in communication
2. Effective cross-cultural communication strategies
3. Business writing for a global audience
4. Crafting persuasive presentations for diverse audiences
5. Best practices for virtual communication and video conferencing
6. Building relationships with international clients and partners
7. Navigating language barriers and translation challenges
8. Developing a global communication strategy

In conclusion, the Business Communication for Global Markets workshop was designed to equip participants with the skills and knowledge necessary to communicate effectively in a global business environment. The workshop covered a range of topics, including cross-cultural communication, business writing, presentations, virtual communication, building relationships, language barriers, and conflict management. Through interactive activities, case studies, and discussions, participants learned best practices for communicating with diverse audiences and navigating cultural differences. Overall, the workshop provided valuable insights and practical tools for improving communication in global markets.

Building a Social Media Strategy Workshop Report

Aim & Objective of the activity: Social media is a powerful tool for businesses to connect with their audience, build brand awareness, and drive sales. However, without a clear strategy, social media efforts can be ineffective and time-consuming. The workshop was designed to provide participants with practical guidance and tools to create an effective social media strategy.

Date of the Activity: -30/10/2019

Organizing Unit/Department: Computer Science

Collaborating Agency:

Program Coordinator: Mrs. Mundhe B.S.

Students Participated: 54

Report of the Activity

Introduction:

The social media strategy workshop was conducted by the **Advanced Computer College, Osmanabad** to help students understand the importance of social media in today's world and how to build a successful social media strategy. The workshop was conducted by experienced professionals who shared their knowledge and expertise with the students.

Objectives:

The main objectives of the workshop were to:

1. Help students understand the importance of social media in today's world
2. Provide students with the knowledge and skills to build a successful social media strategy
3. Help participants develop a social media strategy for their business or organization

The building a social media strategy workshop was to teach individuals and businesses how to create an effective social media presence. The workshop covered the basics of social media, including the various platforms available and their unique features.

Participants learnt how to identify their target audience and develop content that resonates with them. The workshop also covered how to measure the success of social media efforts and adjust strategies accordingly.

Participants were encouraged to create a cohesive brand image across all social media platforms and to engage with their audience in a meaningful discussion.

Report of the Activity

Introduction:

The Cultural Awareness Workshop was organized by the **Advanced Computer College, Osmanabad** with the objective of promoting cultural understanding and appreciation among the students and staff. The workshop was held on **15/10/2019** and was attended by **58** participants.

Objective:

The objective of the workshop was to increase awareness and understanding of different cultures, traditions, and beliefs among the participants. The workshop also aimed to promote cultural sensitivity and respect for diversity.

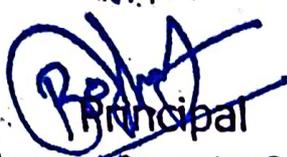

Target Participants:

The workshop was open to **all students and staff of the college.**

The workshop was led by **Miss. Raut M.M.**, who provided the students with a comprehensive understanding of different cultures and their significance. The trainers emphasized the importance of cultural awareness in today's globalized world and how it can help promote tolerance and acceptance.

In conclusion, cultural awareness workshops are an important tool for promoting understanding and respect for different cultures. It is crucial to continuously evaluate and improve cultural awareness training programs to ensure their effectiveness. Engaging in continuous learning about cultural commonalities and differences can help us expand our ability to communicate effectively with people from diverse backgrounds, especially during challenging situations. By promoting cultural awareness, we can create a more inclusive and harmonious society.

Aim & Objective of the activity: The FDP was conducted to draw the attention of all towards the problems and challenges that are there in front of us at the levels of individual, family, society and nature.

Date of the Activity:-10/09/2019

Organizing Unit/Department:- Computer Science

Collaborating Agency:- Bill Gates Institute of Computer Science & Management, Osmanabad.

Program Coordinator:-Mrs. Deshmane A.A.

Students Participated: 55

Report of the Activity

The Faculty Development Programme, an one day workshop was organized by **Advanced Computer College, Osmanabad** on **10/09/2019** on "Human Values and Professional Ethics". The FDP was conducted to draw the attention of all towards the problems and challenges that are there in front of us at the levels of individual, family, society and nature. This workshop is mainly about issues related to our happiness, our welfare, our aspirations, our goals and success in life. The speaker of this workshop **Mrs. Deshmane A.A.**. In this workshop 55 participants of **Computer Science** department have participated.

The main objective of this workshop is that what is right for us and for the nature in context of human values principles specially in the present scenario of today's world, where we are, all the time harming self, society and nature only to have self prosperity. In this workshop from **9:30 am – 4:30 pm** at Hall, all the participants mainly discussed about self realization also their relationship with self, society, nature and with their family and near and dear ones. This workshop mainly focussed on the relationship building aspect of human beings with the other individual and its duty towards the society and nature.

The outcomes of the workshop

The participants will became aware of

1. Self-Direction. Independent thought and action; choosing, creating, exploring.
2. Achievement. Personal success through demonstrating competence according to social standards.
3. Security. Safety, harmony, and stability of society, of relationships, and of self.
4. Benevolence. Preserving and enhancing the welfare of those with whom one is in frequent personal contact
