Body Language Interpretation And Awareness Workshop Report

Aim & Objective of the activity: The workshop was designed to provide participants with practical strategies and techniques that can be applied in both personal and professional settings.

Date of the Activity:-28/01/2022

Organizing Unit/Department:-Computer Science

Collaborating Agency:

Program Coordinator:-Mrs. Deshmane A.A.

Students Participated: 59

Report of the Activity

Introduction:

The **Advanced Computer College, Osmanabad** organized a body language interpretation workshop for its students on **28/01/2022**. The purpose of the workshop was to help students understand the importance of nonverbal communication and how it can affect their personal and professional lives. The workshop was conducted by **Mrs. Deshmane A.A.** and attended by **59**.

Workshop Content:

The workshop started with a brief introduction on the basics of body language and was a highly informative and engaging event. The workshop helped participants understand the importance of body language and how it impacts communication.

The workshop focused on body language significance in communication. The participants were then given a series of exercises and activities to help them understand different aspects of body language, such as posture, gestures and facial expressions.

The body language interpretation and awareness workshop helped individuals understand the nonverbal cues that people use to communicate their thoughts and feelings. The workshop emphasized the importance of paying attention to body language in order to better understand others and to communicate effectively.

Participants learnt how to interpret facial expressions, gestures, posture, and other nonverbal cues, and how to use this information to improve communication and build stronger relationships. The workshop also provided strategies for improving one's own body language.

A handwritten signature in blue ink, appearing to be "B. Deshmane", written over a horizontal line.

Report of the Activity

The Communicating Technical Information Workshop was conducted by the **Advanced Computer College,Osmanabad** on **04/01/2022**.

The workshop was conducted by experienced technical communicators who shared their knowledge and expertise with the participants.

The topics covered in the workshop included:

1. **Understanding the audience:** The importance of understanding the audience and tailoring the message to their needs and expectations.
2. **Clarity and conciseness:** Techniques for communicating technical information in a clear and concise manner, avoiding technical jargon and acronyms.
3. **Visual aids:** Use of visual aids to enhance the communication of technical information, such as diagrams, charts, and graphs.
4. **Techniques for simplifying complex technical concepts and jargon**
5. **The importance of audience analysis and tailoring communication to specific audiences**
6. **Strategies for handling questions and feedback during technical presentations.**

In conclusion, the Communicating Technical Information workshop was a valuable experience for all participants. The workshop provided practical tips and strategies for effectively communicating technical information to different audiences. Participants learned the importance of using clear and concise language, visual aids, and engaging presentation techniques. The hands-on activities and group discussions helped to reinforce the key takeaways from the workshop. Overall, the workshop was a success in improving participants' technical communication skills and helping them to better convey complex information to their intended audience

Customer Needs Assessment Workshop Report

Aim & Objective of the activity: The college conducted a customer needs assessment workshop to gain a better understanding of the needs and wants of their students.

Date of the Activity:-26/08/2021

Organizing Unit/Department:- Computer Science

Collaborating Agency:

Program Coordinator:-Mr. Sawant S.P.

Students Participated:

Report of the Activity

Introduction:

The Customer Needs Assessment Workshop was organized by our Advanced Computer College, Osmanabad on 26/08/2021. The purpose of the workshop was to provide students with an opportunity to learn and understand the importance of assessing customer needs in business.

Workshop Details:

The workshop was conducted by Mr. Sawant S.P. He started the workshop by explaining the importance of customer needs assessment in business. He gave examples of companies that failed to assess their consumers.

The workshop was then divided into three phases: planning, preparation, and implementation. The college used a variety of strategies to assess the needs of their students, including analyzing relevant data, gaining insight into problem areas, and taking actionable steps towards improvement.

The workshop was successful in identifying areas where the college could improve its services to better meet the needs of its students. The college plans to use the information gathered from the workshop to make changes and improvements to its services.
